# Standard & Custom GLASS

# Standard & Custom METAL FINISHES

Coral's exclusive "Anti-Jump" Panel Clips prevent bypass panels from "jumping" or exiting the header roller track during operation. Panel clips are available for the following series: Provincial Prestige; Provincial Classic; 6000; Freestyle 1/4" Frameless; and Style 3/16" Frameless. Panel clips may be easily installed and removed as needed.

\* Color shades may vary.

All finishes not available in all series. See catalog for details.
